RE Request for scholarship support

Dear Anna and Amy:

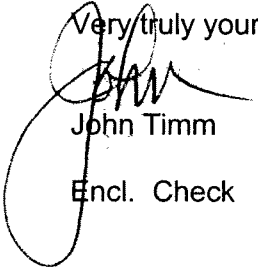

Greg Bair of our St Johns Branch brought to our attention the 10/18/08 Auction that helps support the Theodore Roosevelt Women's Scholarship Association some time ago. Due to the number of requests that we receive for donations and the limited resources available, we did have to pass on the fundraising event last month.

However, as Timmco Insurance celebrates our 10th year in St Johns, we do want to offer some support to your worthy efforts. It is truly through the loyalty of our customers that we have enjoyed any success since we opened our doors in 1970. It has long been our corporate mission to give back to those who have been our customers. Greg founded the Student of the Month award with the assistance of your then-administrator in September, 1998. We helped further support Roosevelt with advertising purchased in sports programs and assisted the varsity baseball team in the early years. We've been a consistent donor to the annual Roosevelt Senior Alcohol & Drug-free graduation parties. A few years ago, we diverted \$500 earmarked for a scholarship at Aloha High School established in memory of a former colleague to your TRWSA scholarship.

Enclosed you will find my personal donation of \$200 as a representation of Timmco's commitment to this important effort to equalize the female scholarship program at Roosevelt High School.

In these challenging economic times, we believe it is more important than ever to *buy* local and *support* local. There are many places consumers can buy insurance today: toll-free numbers, mail order offers, internet sales centers. But, those remote offerings seldom back the efforts of good citizens trying to ensure that your neighborhood is a great place to live and learn. It's our hope that a few people touched by the good work of Roosevelt will remember we're there for them just down the street at 7330 N Leavitt when they go to spend their insurance dollars. Best wishes for a successful scholarship year and we're hoping the auction bore financial fruit for the TRWSA.!

Very truly yours,

John Timm
